[Date]

The Chair,
Selection Committee
Poverty Related Diseases College

Dear Sir/Madam

To Whom It May Concern

Expression of Interest in Support of [Name of Candidate]

I write in favour of [name of candidate] who is applying to be part of the training of the next generation of researchers from Europe and Africa under the FP7 funding of the European Union. The candidate [name name name] is currently [enrolled in a PhD program]/[is a post doc] and is in his/her [nth year] of study. His/Her interest and current research focuses on [topic or research theme] and has benefited from funding provided to the Supervisor through grants competitively won from [source(s) of funding(s)]. His interest is in line with the objectives and strategic plan of the [name of institution] which aims at [state objectives in plan]. There are funds to support his involvement in this training program by way of research funds. Plans are being laid down to ensure that the knowledge acquired will in the first instance be given to his immediate department by way of seminars and following that towards a wider audience by way of formal lectures. Following discussions with his/her supervisor [name of supervisor] who has committed to ensuring that the candidate completes training and be absorbed into the research/teaching activities of [name of Institute], I pledge support on behalf of [name of candidate] and the mentor [name of supervisor] from them to be part of the development of the curriculum and mentorship guide. This letter is served with the aim to consolidate collaboration and network activities within the PRD College and this approach in training in Biomedicine and Development

Sincerely,

[Name of Institution Head]
[Position Held]
